Dear Sirs:

In August of 2003, the Heritage Humane Society obtained rezoning and a Special Use Permit to construct a new facility on Waller Mill Road, on and adjacent to the current site at 430 Waller Mill Road.

Because of circumstances involving the coordination of contributions from the jurisdictions involved and other factors, the architect did not commence work until late in 2004, and we do not expect the construction documents to be ready in time to solicit bids and break ground by August of this year.

Therefore, the Society requests an amendment to the existing conditions of the Special Use Permit that extends the deadline by two years, until August 2007. We enclose the fee of \$100.

Sincerely yours,

Lynne Christensen
Executive Director
